- **Platforms:** Visual Studio, VS Code, NetBeans, Android Studio, Google Colab, Code::Blocks
- **Leadership**
- **Effective Communication**
- **Critical Thinking**

HOBBIES

- Travelling
- Playing outdoor sports
- Cycling

PROFILE

I'm a CSE undergraduate with a growing passion for software development. I like building small projects, exploring new tools, and creating things that feel useful and interesting. Outside of academics, I'm a dedicated football defender who enjoys the energy and teamwork the game brings. I'm excited to keep learning and take my first steps as a software engineer.

EDUCATION

B.Sc. in Computer Science and Engineering 2021 - Present
Ahsanullah University of Science and Technology
Current CGPA: 3.307 / 4.00

Higher Secondary Certificate 2018-2020
Dhaka City College
GPA: 5.00 / 5.00

PROJECTS

- **SARISA**
A C/C++ project using OpenGL, inspired by Prince of Persia, showcasing interactive graphics and character animations.
- **CineMax**
A PHP-based movie ticket booking system inspired by Star Cineplex, built with the Bootstrap framework to provide a user-friendly interface and core booking features.
- **Careers Insider**
An ASP.NET MVC-based Online Job Portal that simplifies job searching and hiring, with features like user registration, job postings, applications, and admin management—all built using a clean MVC structure.
- **Chat System**
A Java-based Chat System featuring a JavaFX application with a modular structure, utilizing socket programming for real-time message exchange.

CO-CURRICULAR ACTIVITIES

- **ORGANIZER** - AUST CSE Carnival 5.0, Spring 2024
- **ORGANIZER** - Intra AUST CSE Cricket Tournament, Spring 2024
- **FOOTBALL PLAYER** - Dhanmondi Govt. Boys' High School (2016-2018)
